Event Insight:

About the event:

IEEE SPS GS and IEEE SPS GS WiSP in collaboration with IEEE SPS SCET SB, and IEEE SPS GCET SB organized a video competition 'Power of Pink' on theme of 'Role of Women in Creating Happy World' to celebrate International Women's Day 2022 on 8th March 2022.

Registration and Event Management:

Registration of the event started on 28th February 2022 and we received total 43 participants from different colleges of Gujarat like Dhirubhai Ambani Institute of Information and Communication Technology, Gujarat University, Sarvajanic College of Engineering and Technology and many more colleges. Registration was managed by student's office bearers of IEEE SPS GCET and IEEE SCET SB, including Aashish Kumar and Muskan Jhavar, and Poster Designing was done by Darshan Modi.

The event was very well-managed by Prof. Dr. Alpa Shah and Prof. Dr. Mita Paunwala.

Every woman has a charm in her

Hope u find this video worthy , im happy to participate in this competition

Sometimes Women want s for support not s for sympathy

Give equal opportunity to every one. Whether girl or boy, son or daughter. Equality is justice here.

All of your work is greatly appreciated.Thank you volunteers, for your amazing generosity and dedication.

this is very good content of making video i really enjoyed.

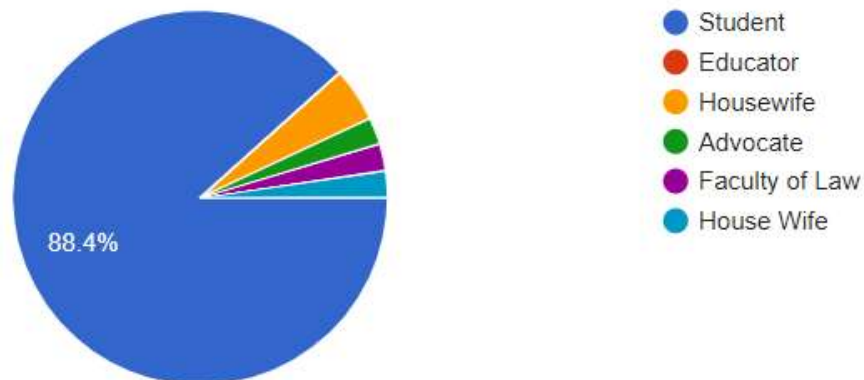

this is really very good content to making video

If you make your women she will make the world happy and successful, and vice-versa of your women is unhappy she demolish the world, so its your call what you want to select

We don't need empowerment we need freedom

Profession
